Please note:

- **All access to rides is at the discretion of the operator.**
- Access to these rides is subject to each individual ride restriction.
- Adults may need to accompany children on rides as per restrictions, and will need to purchase a valid ticket accordingly.
- Ride vehicles / restraints may not accommodate visitors with certain body dimensions. Please speak to the ride operator if you have concerns regarding your access.
- Rides may not be suitable for those who have/are:
 - Heart, back, neck or similar physical conditions
 - High blood pressure
 - Expectant mothers
 - Motion sickness or dizziness
 - Wearing a medical cast
 - Under the influence of alcohol and/or drugs
 - Have a pacemaker fitted
- All rides may have flashing lights / flash photography / strobe effects.
- Please note that, for the health and safety of our guests and of our staff, operators are not permitted to physically transfer guests into and out of a ride carriage.
- Assistance dogs are not permitted on any rides.
- Essential Companion ticket holders will receive a Ride Wristband on entry to the event, providing them with free ride entry when accompanying their guest.
